

# 2008 Pacific Educational Conference Proceedings

The Pacific Educational Conference (PEC) Proceedings is published annually by PREL, a nonprofit 501(c)(3) corporation. The proceedings are a collection of summaries of presentations and workshops presented at the PEC by experts in their field from the U.S.-affiliated Pacific, the continental United States, and the world.

The 25th Annual PEC, themed *The Pacific Child: A Legacy of Community, Culture, and Art*, was held in American Samoa, July 14–17, 2008. The theme appropriately tied into the Festival of Pacific Arts, also hosted by American Samoa in 2008. This volume of proceedings from PEC 2008 includes summaries from presenters from American Samoa, Fiji, Guam, Hawai'i, and the Republic of Palau.

We bring these works together in one volume to share them with a wider audience of our constituents and partners. By doing so, we hope to contribute to the body of work that supports education in the Pacific and around the world.
